Experience

Worked in the Department of Volunteer in university:

1. Files management, hours logging,
2. Taught Chinese & English in a poor elementary school,
3. Taught math in middle school,
4. Violin performance for a senior center,
5. Charitable sale, Shelter work,
6. International conference, Celebrity Interview.

Dietary Aide in an assisted living facility. Interacted closely with elders (mostly 90+ years old). Learned about customer service. Gained a rare & dear perspective of life.

Air Force Reserve. Received military training. Further increased physical and mental strength.

Planned, coordinated a 3-day-2-night trip for 20+ people in Beijing.

Produced a music video with a 40-person cast. Wrote plot, sourced equipment, directed the performance, turned the recording into a final DVD. Designed a poster with PS.

Traveled/stayed extensively in multiple countries, exposed to multiple cultures.

Education

2012 — 2014 BA in Applied Mathematics University of Illinois at Urbana Champaign

2009 — 2011 Applied Mathematics University of Science and Technology Beijing
